If you provide us with an email address, postal address, landline or mobile phone number, we may use it to contact you. The club may use any information provided to:

- administer your membership

- notify you of club activities
- publicise other events, activities or items that the Committee feels would be of interest or benefit to you as a member of the club

Your personal information will be held by the Committee and disclosed to the Kennel Club where the rules of our registration require or to other third parties when we are legally obliged.

For further information about how your information is maintained and used by the Club, please contact the Secretary via email ([secretary@suttoncoldfielddogtrainingclub.org.uk](mailto:secretary@suttoncoldfielddogtrainingclub.org.uk)) or by phone (07763 112356)

**TRAINING**

New beginners classes start on the **first Sunday of every month (Jan to Nov)**. We recommend that dogs are fully inoculated before joining training classes. There is no minimum or maximum dog age restriction for membership.

Club training takes place at:

Sutton United Football Ground  
Coleshill Road Nurseries  
Coleshill Road (opposite Chambers Ford garage)  
Sutton Coldfield. B75 7BA

The Club operates a maximum class size and waiting list policy for new members. Details of the next available start date are available from Mrs Cook as per the details below.

PLEASE NOTE: There is limited parking in the main car park. When this is full, please use the Reddicap Trading Estate situated at the side of Chambers Ford.

**MEMBERSHIP**

All owners and handlers of dogs being trained at the Club must be current, paid-up members of the Club, be it Adult, Junior or Senior citizen.

- ▲ Single membership (Adult, Junior & Senior citizen)  
For individuals training their dog(s).
- ▲ Associate membership  
For relatives and friends of full members interested in sharing the Club activities other than training.

**INSURANCE**

For the benefit of members, the Club has taken out a third party insurance policy with Pet Plan Ltd. The cover provided will be limited to training sessions and all other Club activities, and the cost will be paid from Club funds.

It is important that members realise the extent of the cover which this policy provides. As it is for third party liability only, each member and/or their dog(s) is covered for any claim which may be made against them arising from damage caused by that member and/or their dog(s) and for which they are legally liable. The insurance does not cover the first £100 of any claim. If you are the injured party, your claim is against the offending member and/or their dog(s), not the insurance company direct.

**Dogs may only be trained by paid-up single members who as such are covered by insurance**

Any incident which is likely to give rise to a claim will be reported to the insurance company in the first instance by the Club secretary, who should be given full details of any occurrence immediately it arises.

Members are strongly advised to provide similar cover themselves for periods outside those of the Club's activities. Many will find such provision through their household insurance policy, which they should check accordingly. Those members who have purchased individual health insurance for their dog(s) may also find that third party cover is included in their policy.
